10 Mr.S.Siddappa is the Octroi Superintendent in the Mysore City Municipality. He was drawing the maximum of Rs.150 till recently in the grade of Rs.100-10-150. The scale of pay of this appointment has since been revised to Rs.150-10-200 and he has been fixed on a pay of Rs.160 in that grade plus a conveyance allowance of Rs.20 p.m.

11 The present proposal is that he may be exempted from passing the prescribed local tests viz., Revenue, Criminal and Accounts, so as to enable him to get a chance for the appointment of Revenue Officer for the Municipality. The grounds on which the recommendations are based are that he is very good Executive Officer with exemplary character.

12 It is seen from his Service Register that he entered service on 16-6-1923. His date of birth according to the entries in the Service Register is 19-8-1899. He is just 45 years of age. He was promoted as Revenue Officer in the year November 1931 on probation for ten months. When the question of confirmation came up, it was ordered that he should pass the Local Tests prescribed for amildars as he did not pass the Local Tests as directed, he was reverted from his original appointment as Octroi Daroga in 1935. and hence continues as such

13 The question of granting him exemption from passing the tests has come up before the Government on more than one occasion and Government have declined to sanction it. The latest recommendation was in the month of December 1943 and it was refused on the ground that he did not make honest attempts to pass the examinations subsequent to 1934

2. He has now repeated his prayer for exemption and it has been recommended by the President

3. The post of the Revenue Officer, in the Mysore City Municipality is that of an Amildar carrying a pay of Rs 150-25/2-250 plus a consolidated allowance of Rs 60 p.m. This appointment is therefore of a higher status than that of the Octroi Superintendent.

4. In the circumstances of the case, the recommendation of the President, to exempt him from passing the Local Tests which is again urged by the Government is for orders.

Submitted.

I was appointed as Octroi Dhroga (now designated as (Octroi Superintendent) in the year 1925 Considering my hard work and steady progress in revenue, which I, was able to show, I was promoted as Revenue Officer in the year 1931, November, on probation for 10 months vide G O No 5150-3/M1 12-31-84 dated 21st January 1932, subject to the condition that I should be confirmed on the expiry of the probationery period When the question of confirming me in the appointment was placed before the Council after the period of probation, to my ill-luck, the Council, inspite of its own former resolution and the Order of Government which imposed no conditions, resolved that I should be asked to pass the Local Test prescribed for the post of Amildars in the State before I could earn my confirmation

Although no such conditions had been imposed at the time of my promotion as Revenue Officer I did make honest attempts in obedience to the orders to pass the Local Tests But unfortunately the exacting nature of my laborious duties, the work in connection with Municipal, R A and L C Elections and maintaining the progress in collection came in the way and I could not secure a pass This resulted in my being reverted to my permanent appointment as Octroi Dhroga in the year 1935 July, after a service of 3 years and 8 months as Revenue Officer Subsequently, also I have often been placed in charge of the appointment of Revenue Officer during which time also, I have worked to the entire satisfaction of my officers and the Council

Meanwhile, I had been transferred to the Bangalore City Municipality as Octroi Superintendent in the year 1942 January I served there for five months During th short period of my stay, I brought to the notice of my officer several irregularities in the Octroi and Toll schedules and in the Department and got them set right, and conducted two Municipal Bye-elections as Polling Officer and served as Personal Assistant and Revenue Officer in addition to my own duties to the best satisfaction of my officer If I had been continued in that Municipality I would have got my pay Rs 175/- by this time in the scale of Rs 100-10-150-25/2-250+25 CA

Now, I have put in a service of more than 15 years and am now 45 years of age (I joined service in the Municipality on 16-6-1923) I beg to request that I may be exempted from passing the Local Tests, in consideratio of my long faithful service spoken of well by eminent - officers under whom I served and improved the ~~xxx~~ revenue all these years (it is now Rs 2,78,100/- against Rs 88,69 at the time I was appointed to the post) so as to enable me to get a chance for the appointment of the Revenue Officer in this Municipality I may also be kindly exempt from passing the Law and Accounts relating to the Municipalities and District Boards as I had already put in a service of over five years at the time the said Examination was instituted vide G O No L 7487-507/M1 151-32-15 dated 18th April, 1934 My Service Register & Character Book are herewith enclosed

For which act of grace, I shall ever pray

Yours faithfully
OCTROI SUPERINTENDENT
